## DEDICATION

For being more than a teacher, for being an inspiration to students for years, and for her unending devotion to her work, we dedicate the 1960 Hilllife to Miss Ola Andrews.

*We dedicate our annual*

A native Chapel Hillian, Miss Andrews spent most of her early years in New Bern and Hillsboro, returning to graduate from Chapel Hill High School. She attended Women's College in Greensboro for two years, then completed her training at U.N.C. with an A.B. degree. Miss Andrews taught a total of thirty-nine years in various North Carolina communities. For the past twelve years she taught algebra and Latin in Chapel Hill High School. Most of us during our high school career have been in her homeroom or, at one time or another, in one of her classes or study halls.

Miss Andrews has never spared herself in serving the best interests of every student. We came seeking help at all times, and whether before or after school, Miss Andrews was always there and ready to give assistance. Even after her retirement students have continued to request help. Her high standards and Christian spirit have been an inspiration to students and teachers alike. We will remember her for her generosity, unselfishness, and devotion to our school.

# OUR LIVES BEGAN

CHHS'ers are active in many community affairs. There is wide participation in our church and synagogue youth groups. The various clubs and service organizations sponsor such projects as filling Thanksgiving baskets, Trick-or-Treat for UNICEF, Empty Stocking Fund, and the Hospital Carol Sing.

# ...the community

In the town and country surrounding our school, we see things which are a part of our life and which have influenced us during our high school years. The civic clubs, churches, synagogues, and townspeople have all devoted their time and effort to us and our school.

We are fortunate in being part of a university community. Many distinguished guests have spoken to our clubs and student body.

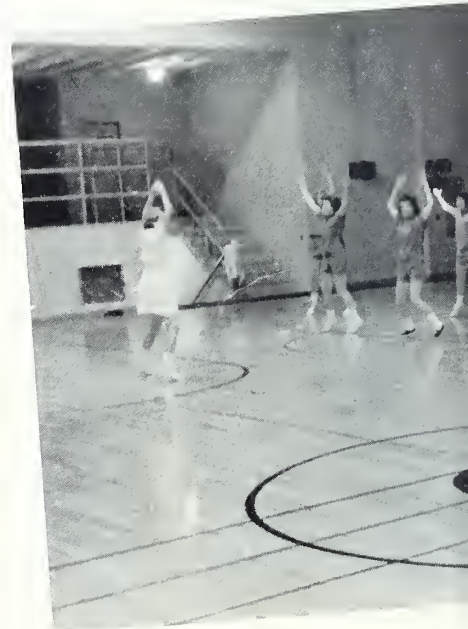

We are proud of the fine farms surrounding our town. We take pride in the business establishments of Chapel Hill, our home town.

# WE LEARN...

We're proud of our high school, a handsome colonial style building on West Franklin Street. The first wing was built in 1947 while the main part was finished in 1952.

We enjoy our new cafeteria.

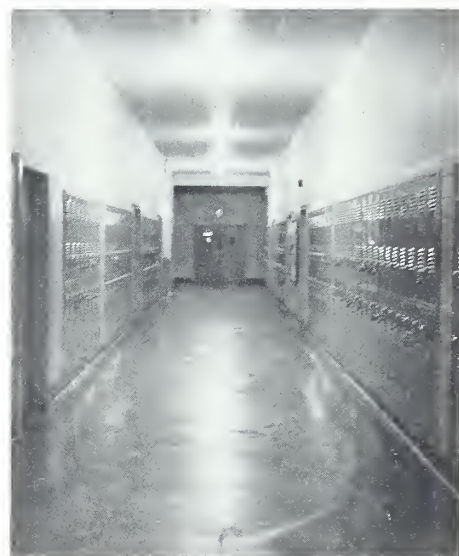

Our new gym provides a place for both education and enjoyment.

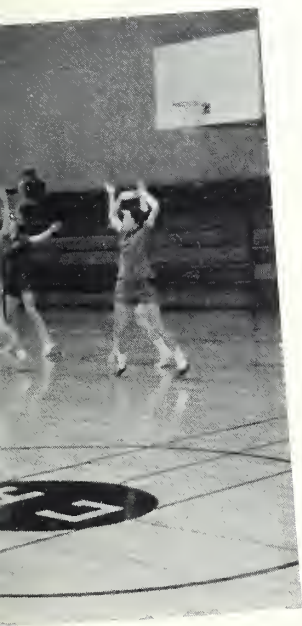

# *...the school*

President Henry leads an assembly in our auditorium.

The hall after a busy day of activity.

The library provides a place for study and relaxation.

When we enter high school we are faced, for the first time, with some important decisions. One of these is "What shall I do with my life?" Some students plan to continue their education in college and universities. Others may marry, find employment in the business world, agriculture, or the armed services. CHHS provides a good foundation for the future occupations of the students. In our four years we are given a choice of subjects in three courses of study. These are the commercial course, the general vocational course, and the college preparatory course.

For those wishing to enter business, a commercial course is offered. After graduation these students may enter a business college. With the Distributive Education program students are prepared for advancement in saleswork.

# WE STUDY...

Our school offers several courses to improve the talents of the individual student.

For those preparing for college, our school offers a diversity of courses in every department.

...education

# WE DEVELOP...

Winter offers us the fast moving sport of basketball.

Both players and spectators alike spend many enjoyable winter evenings in the school gym.

Every fall the student body participates in football whether it be watching or playing.

During the winter girls basketball offers the girls of our school a chance to show their physical skill.

*...athletics*

# WE MATURE...

Pep rallies help to enliven our school spirit. They are held by a blazing bonfire or in the gym.

The informal dances at CHHS are held in the gymnasium where, to protect the floor, we dance in our socks. Victory dances after the games are always popular after an exciting game. Other sock hops during the year may be sponsored by the different clubs. Sarah Umstead, our recreational director, is always there to play the records. Sarah also keeps the gymnasium open on Saturday mornings and evenings.

The biggest events of the year are, of course, the formal dances. The first of these is the traditional Thanksgiving Dance, followed by the Y-Teens' New Years Eve Dance.

In February, the sweethearts of CHHS are announced and crowned at the Sweetheart Ball, given this year by the Junior Class.

With the arrival of spring, the Y-Teens bring us the May King Ball.

And finally, winding up the year, is the magnificent Junior-Senior. A traditional farewell tribute to the graduating class, this event represents a year of planning and labor by the hard-working Junior Class.

# *Administration*

# OUR LEADERS...

Dr. Johnston, superintendent of the Chapel Hill School System, plays a most necessary part in the administration of our high school, whether presiding at school board meetings, hiring teachers, or boosting our morale at the ball games.

Miss Marshbanks, our principal, is chief administrator for the high school. Aiding her is Mr. Jaynes, assistant principal. Besides performing their regular duties both Miss Marshbanks and Mr. Jaynes give a generous amount of time to advising and talking with students.

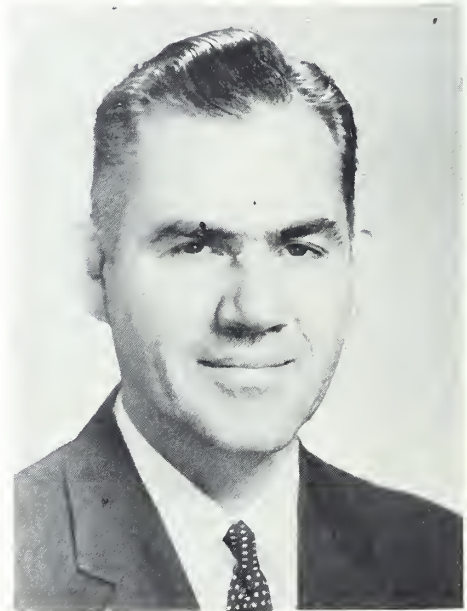

Dr. Joseph M. Johnston  
Superintendent

Perhaps the greatest influence upon our lives at CHHS is that of our teachers. Not only do members of the faculty instruct us, but they advise our clubs, direct plays, chaperone our parties, oversee our projects, and give us advice. In these ways they contribute to the enrichment of our lives and make us each better and more mature individuals.

The cafeteria staff is an important part of the school in providing nourishing lunches to carry us through the day.

Keeping the building and grounds neat and clean is the duty of our custodians.

### Our Four Years Together

By the sidewalk of West Franklin  
By the shining parking meters  
Stands a stately high school building  
Site of modern education.

From three regions came the freshmen,  
Class of '60 were the freshmen.  
Though we were scourged and lowly,  
Still our spirits were undaunted.  
Montie Milner was our leader  
As we started climbing upward.

Rocked we to the beat of Elvis  
In our sophomore year as "wise fools,"  
Dodged the chalk of dear old Reagan,  
Counted gold with Silas Marner,  
Plunged the knife with Marcus Brutus  
To the heart of Julius Caesar.

Now at last no longer greenhorns  
We attained our rank as juniors,  
Re-elected David Henry  
To uphold our highest office.  
Here we faced the many hardships,  
Braved the trials, tribulations,  
Braved the mighty Mrs. Howard  
With her themes and dictionaries,  
Staged "The Man Who Came to Dinner"  
As our comic presentation,  
Toiled and labored many evenings  
To unfold our junior-senior,  
Grand and radiant junior-senior,  
Unsurpassed by any other.

Three long years had we completed,  
For our senior year was with us.  
Eddie Kenney was elected  
To preside at all our meetings.  
Now we got our rings and pictures,  
Studied Beowulf and Twelfth Night,  
Probed Macbeth and tackled Milton,  
Gave our senior play in April,  
Traversed to the junior-senior,  
Donned our gowns at graduation.

Out of sight, but not forgotten  
Do we leave our Alma Mater  
By the sidewalk of West Franklin  
By the shining parking meters....

## Class History

Our first year as upperclassmen meant for us days of hard work and challenging experiences. The school board ruled that we must raise the money for our Junior-Senior only at school. So we set to work selling "delecious homemade cookies" twice weekly. Our flair for entertainment was discovered in The Junior Follies. Still more stage talent was revealed in The Importance of Being Ernest, a highly successful production. We sloshed water and scrubbed chrome in a frolicking car wash. In the intervals between each project we proved theorems, studied our American ancestry, and discovered that we could create short stories and CO(Fe) 2. With the spring came our glamorous creation, the Junior-Senior. Its memories will always stay with us. Now we leave our junior days, more experienced and more united than ever before. We are ready now for our senior title of sophistication.

# OUR CLASS HISTORY

This was the year that we, as Sophomores, were to get "sweet revenge" and have the fun of lording over the "new green frosh"! But, as luck and the school board would have it, we again were the babies of the CHHS family.

We were in for a year of hard work. We learned many of nature's little secrets in our biology class, we delved into Julius Caesar in English, and we pondered equations in algebra.

We were proud of the contributions which some of us made to the varsity sports. Our own Sophomore basketball team's fine play gave promise of a continued strong varsity basketball team for CHHS in the next two years.

On the lighter side, the class sponsored and carried out a carnival to add to the funds in the class treasury to be used for our 1961 Junior-Senior Prom.

This was a great success financially and provided entertainment and fun for much of Chapel Hill's younger set. In a true "the show

must go on" tradition the carnival was hastily set up in our halls when that November Saturday dawned cold and rainy. The refreshment booth proved to be the most popular attraction, and pie throwing, fortune telling, bingo, a cake walk, and a fishing booth were other features which brought out hidden talents that few of us realized we possessed.

In the spring our minds turned to thoughts of choosing subjects for our junior year and we realized that this has been a real year of growth for us, the "wise fools." We are looking forward to another year at CHHS and another step on the high school ladder.

# *Activities*

Our student council association is an organization formed by student representatives elected from each homeroom. Our representatives are the very core and most essential part of the organization, since they represent the ideas and needs of both the individual and the student body.

The council is basically a legislative body, instructing its members in the way of government. The Council promotes any student activity which contributes to the welfare of all. Among our councils projects this year have been the Dial, the Key, Stunt Night, the leadership training Conference, and Homecoming. The council is financed through profits obtained from these projects, from the S. C. A. store and the "Snack Shack."

## *Honor Council*

The Honor Council is the judicial branch of our student government. Under our honor system, each student is given the privilege of disciplining himself and developing a keen sense of self-discipline and maturity. The primary concern of the council is to help and encourage the student to attain these goals.

The Chief Justice is elected with other student council officers in the spring, and one associate justice is elected from each class in the fall. The clerk is chosen by the council at the beginning of the year.

# *we are honored...*

## *National Honor Society*

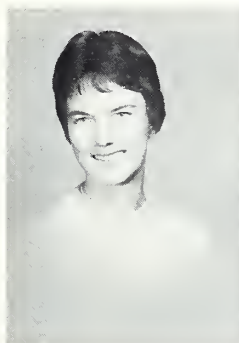

With character, scholarship, leadership, and service being the basis for selection, the members of the National Honor Society are chosen by the faculty after the end of the fall semester. A candlelight tapping service is held to induct new members.

Besides the Word for the Day project, NHS members also conducted the P.T.S.A. White Elephant Drive before Christmas.

The "Word for the Day," a project to help students study for College Boards, is inspected by NHS officers: Sue Ham, President; Jeremy Kark, vice-president; and Anne Prince, secretary-treasurer.

## 1960 HILLIFE *staff*

Sophomore class editors Merle Smith and Charlie Phillips; junior editors Diana Houston, Barbara Wade, and Becky Wells. Absent, senior editor Becky Merritt.

The annual staff spent the first semester of this year organizing and preparing your annual. This complex job began in April, 1959, with the signing of the publishing and picture contracts and choosing of the new staff. During the summer, some ads were sold, and each editor began to sketch the plans for his section. In September, class pictures were taken and annual sales were conducted by the business staff. November saw the club pictures and the last of the sports pictures being taken. In December and January, the book was completed, with the photographers making last minute pictures and all editors quickly completing their work.

During the second semester, we checked the proofs, and presented to the student body the HILLIFE of 1960.

## *We report our activities...*

The Proconian staff, composed of the journalism classes, produces our school paper, published on alternate Fridays.

Much time and hard work goes into the preparing of a Proconian. Deadlines must be met, and often hours are long.

The Proconian goes to press on Monday with proofs coming back later in the week, and the final edition of the paper coming out during sixth period on Friday.

# *American Field Service*

For the last six years, Chapel Hill High School has participated in the American Field Service program. Our exchange students from England, Japan, Belgium, the Netherlands, Norway, and Spain have added to our knowledge of other people of the world. The students from these countries have spent one year in CHHS and have lived with a high school student's family. All the arrangements have been made by the local AFS committee headed by Mr. Rogers Wade. In return for our school having a winter student, we have one CHHS student go to an European country for two months during the summer. These two exchange students, both the winter and summer, give talks to the student body and to various civic clubs which improve our knowledge of the world.

Most CHHSers seeing the pictures on these two pages know the value of this exchange program. To see a picture of one of our friends living in another country is the first step to world peace. From AFS's friendly spirit it takes its motto: "Walk together, talk together O ye peoples of the earth: then and only then shall ye have peace."

*we entertain by singing...*

## *Glee Club*

Our Glee Club (which is also a class) gave its first concert of the year in conjunction with a Boy Scout Troop in presenting the Thanksgiving program. A Christmas concert was also given under the direction of Mrs. Yandell, who left at Christmas.

After returning from the holidays, the Glee Club had a new director, Mrs. Culbreath. It was under her direction that the chorus began preparations for the district contest. Along with participation in this competition, our Glee Club presented an Easter assembly and participated in the Commencement exercises.

Our band participates in many activities throughout the school year. During the football season it plays at the games and with the aid of the majorettes, presents colorful half-time shows. The band also marches in several parades during the fall and winter months, both in and out of Chapel Hill. Concert season begins in the late winter and brings preparation for the District and State Contests and for concerts given to the students and the public.

Majorettes (l. to r.) Lynn Lloyd, Brenda Jones, Judy Sparrow, Lavern Hughes, Cookie Hackney, Pat Sparrow, Jean Rogers, Annette Campbell, Jo Ann Sturdivant, Pam Dobson.

## *we serve others...* *Library Club*

The members of the Library Club perform an invaluable service for our high school. They give their time to carry out the many tasks a library needs for smooth operation. Processing new books, returning books to the shelves, and working at the circulation desk are only a few of the tasks they perform.

The club also keeps a scrapbook as a permanent record of activities and attends state and district conventions.

## *we reward athletes...* *Monogram Club*

Since the Monogram Club is for the recognition of athletes, to be a member, one must have lettered in a sport, or have been a cheerleader, majorette, or a manager.

The club awards a letter sweater to each senior member of the group and to make money for this project, the club has dances, car washes, and conducted a sweatshirt sale. Monogram club members operate the concession stand for home basketball games and perform an invaluable service by cleaning up the gym after the games.

## *Debating Club*

Though one of the new clubs, the Debating Club is one of the most active. Weekly meetings at which topics of interest are discussed are held in informal debate manner. By attending congresses, a member may discuss some of these same topics with students from other schools.

In early February, work begins on the National debate topic in preparation for the contest. Debators practice long hours for this contest, and also attend the Wake Forest Speech Festival.

A member of the Debating club not only improves his speaking ability, but also learns to organize his thoughts, present them clearly, and to evaluate what others have said.

## *United Christian Youth Movement*

The UCYM is an international, interdenom-  
inational youth organization, affiliated with the  
World Council of Churches. It is an outgrowth of  
our Christian imperative to work together for  
Christ.

By having all of our church youth groups  
united into one body, we can accomplish more  
than if we were separate entities. As a result  
the UCYM of Chapel Hill and Carrboro have been  
able to carry on projects, such as the UNICEF  
drive, the Christmas Caroling at the hospital,  
the New Year's Eve Watch Night Service, and  
Youth Week.

The majority of the work is done through the  
council, composed of two representatives and one  
adult from each youth group.

UCYM officers: Bill Graham, presi-  
dent; Becky Bennett, vice-president; Jane  
Overman, treasurer; Gail Ford, publicity,  
chairman; Jubee Mullis, secretary.

The Y-Teens is a group of over 130 girls from the school. The organization is divided into two clubs--the Junior Y-Teens for the ninth and tenth grades and the Senior Y-Teens for the eleventh and twelfth.

Y-Teens is a junior branch of the world-wide organization, the YWCA (Young Woman's Christian Association). Though the Chapel Hill Y-Teens are not directly connected with a town YWCA, they are affiliated with the campus Y and support the same aims and objectives.

The purpose of the YWCA is to build a fellowship of women and girls devoted to the task of realizing in our common life to those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Christ, to share His love for all people, and to grow in the knowledge and love of God.

## Y-Teens

Y-Teen goals follow closely in upholding the purpose of the YWCA. The organization tries to encourage and provide opportunities whereby Y-Teens may become increasingly aware of the world they live in and their responsibility to it.

These are the established aims of the organization whether or not these purposes are achieved depends upon the effort made by individual members. We strive, with the help of the director and advisory committee, to fulfill these objectives.

Being primarily a service club, the Y-Teens work in and for the hospital, the PTSA Thrift Shop, and the Public Library. By completing ten service hours in the fall, a Y-Teen may attend the New Year's Eve Ball and by completing a like number in the spring, she may attend the May King Dance. Another social event is the hayride, held earlier in the fall.

The teaching of vocational agriculture being the primary purpose of the FFA, this club forms an integral part of the school organization.

Members not only learn new agricultural methods, but also learn how to conduct and take part in a public meeting, to buy and sell co-operatively, to finance themselves, to solve, their own problems, and to assume responsibility.

Our local chapter of the FFA participates in local contests, parliamentary procedure, public speaking, and cattle judging.

## *Future Homemakers of America*

The Future Homemakers of America is an organization which provides opportunities for students to have additional experience in planning and carrying out activities related to homemaking.

The motto, "Toward New Horizons," reminds members that their contributions to home life today will influence the kinds of home they have tomorrow; the family life of members will influence the community and the world.

The Mother-Daughter Banquet held each spring and the favors made for the children in the hospital at Easter are two of the many projects carried out by our local chapter of the FHA.

CHHS cheerleaders are an enthusiastic group of girls who work long and hard to promote and increase school spirit---and enjoy every minute of it! The student body elects a Head Cheerleader in the spring to serve the following year. Shortly after, eight other girls and two alternates are selected to com-

plete the squad. These girls practice faithfully throughout the summer. Once school begins, they are kept busy making and displaying posters, holding pep rallies, and, of course, cheering the team on to victory at each football and basketball game. Much of our school's success in athletics can be attributed to this group of girls who do a big job and do it well.

This year was the best yet for the Kittens of Chapel Hill High School. Hard work, good spirit, and continued determination turned out a winning season. For the first year in the lifetime of the players, the Kittens defeated Hillsboro in a hard-fought, but rewarding game. Under the

careful leadership of the new coach Mrs. Anne Simpson, the girls learned much in the art of playing good basketball. Not only skill, but also good sportmanship were stressed at every practice and in every game. With juniors making up most of the squad, next year should prove to be the championship team.

Dear Kathie,  
My best wishes  
in a very happy and  
successful future.

June

**Kathie,**

It's been wonderful  
knowing you this year. Best  
of luck always.

Best of luck  
for the future.  
Love, Doreen & Andy

Kathie, I enjoyed  
knowing you and  
being associated with  
you 3 years in  
high school.

Kathie!  
Cool man! Like wow! What do do  
say now? You're completely  
ruined any good study hall  
habit & even had. But we've had  
a hall. Because of "men" like  
Colin! — does it up and do it  
about anything, especially men.  
Salutations —  
Celine

Dear Kathie,  
 I don't know  
 how to say how  
 much I've enjoyed  
 going to school with you.  
 I was really sorry when  
 I moved away but it's not  
 possible to forget you, in any  
 case. Good luck next year,  
 wherever you are or whatever you do.  
 Dave Handee

It's so hard to  
 say good-bye to  
 you. I'll miss  
 you very much.  
 Good-bye.  
 Kathie

Kathie,  
 It's really been  
 great - these past  
 4 years. I can't  
 believe we're actually  
 getting out - Best  
 luck to a really cute  
 and attractive girl.  
 Love, Sally

Kathie,  
 I have been real  
 nice knowing you this  
 year. You have been  
 a great asset to our  
 class not only with  
 your Geography  
 knowledge but  
 your beauty and  
 charm as well.  
 Love  
 The 1st

Kathie

It has been real  
 nice this year at lunch and  
 other times of the day. I surely  
 wish you the best of luck to  
 the sweetest, cutest, and nicest  
 girl I know. You had better keep  
 an eye on picking this summer if you  
 are wearing a blouse with a pocket  
 on it. Stay happy  
 Love,  
 Billy Boyd

Dear Kathie,  
 At the risk  
 of being a little  
 still must say I  
 really have enjoyed  
 knowing you, and  
 by working in the library  
 I missed seeing you in  
 homeroom. I can only give  
 you my very best wishes for  
 a successful future. Maybe  
 some day I shall see  
 you again. I am hoping  
 that you do find the man  
 for whom you are looking.  
 Again my very best  
 wishes always.  
 Much love,  
 Martha

Dear Kathie,  
 What could I have  
 done without you first  
 period? and geography?  
 For obvious reasons both  
 would've been insufferable.  
 Thanks for all those typing  
 tracers! I wish you all  
 the luck in the world with  
 your career and I hope  
 you will be able to find  
 another "Tommy" who will  
 really appreciate you!

Love always,  
 Anne C.

Kathie,  
 I will always remember  
 the Geography class our discussion  
 about going to Florida and working  
 for Pan American Airlines. Standing in  
 the lunch line has been a real inspiration  
 to me. I doubt if we will ever see each other  
 again but I will always remember you. Good  
 luck in whatever you do or wherever you go.

Love Always  
 Bill

Kathie,  
 I wish you  
 dreams of yours.  
 Don't let them get  
 washed out of your  
 head - doctor get  
 ideas. I might

Dear Kathie -  
 Remember our freshman  
 year? I'm also sorry we had  
 to grow up - we had so much  
 fun. But it's only changed -  
 not lessened. I'll never forget  
 the past four years. I'll  
 think of you and study hall  
 every time I hear a plane  
 fly over - have even more  
 fun and keep you - spending  
 personally -  
 Love,  
 Joe Kottelbauer

Kathie,  
 You've signed  
 my pass all  
 year in study hall.  
 Last year you lent  
 me your ears to  
 my troubles. The  
 year before you helped  
 welcome me to Chapel  
 Hill.

Love of Kind.  
 "Butch"

Dear Kathie,  
 I have enjoyed  
 the time I spent  
 with you. I hope  
 you are happy.  
 Love,  
 Bill

Kathie -  
 Typing has been  
 a real hint - in more  
 ways than one - Especially  
 my typing! That's enough to make  
 anybody cringe! But can you say one thing -  
 it has been fun! I had never known you had  
 will refuse that, so its made this year all  
 the better to get a chance to talk with you.  
 Diana Foster

Kathie,  
 Has been very  
 nice to visit you this  
 year. I really going to  
 miss this school and every-  
 one. Good luck in everything  
 you do.  
 Love,  
 Chuck

Kathie -  
 Best of Luck in the future.  
 Don't forget the fun we had  
 in Geography class.

 Kathie, you are a great  
 gal - I'm sure you'll  
 succeed in what ever  
 you undertake. May I  
 wish you all the luck  
 in the world. May I

Dear Larkie, <sup>reserved</sup> (and the nicest Virgin Mary)  
You are the best friend I  
have truly ever had. We have had  
some great times. Although we have  
been stuck with some ~~water~~ <sup>water</sup> that  
would never win the Man of the  
Year award. "we will never forget  
them. I guess by the time you  
read this again you will either  
be a great swimming hostess or  
married. I will probably be married  
too!

Dear Pete, who has been the  
greatest God on earth will  
probably be President some day and  
we can say "we knew him." Of course  
we can easily forget Virginia and  
her father, you, and cutting remarks.  
Dennis Rosenzweig was a great  
boy and we will always remember  
the parties at Peter's home.

Someday I will bring Jay  
and my two kids over and we  
can try to translate this scratch  
of mine. Please stay good and  
may we always be friends.

O.D. I hope you will  
be happy and healthy  
always. A Friend Always  
Susan

(RESERVED)

Kathie,

Well, this has been an unusual year, that's all I've got to say! More things have happened than I care to remember but a lot of good things have happened too! Don't ever forget our beach trip April 2 + 3 to Carolina - Spencer Motel - and that special little pie we claimed! It was really great, gal, and I'm proud of you for finishing school and being such a good girl (?).! Don't worry about Tommy, Manuel, and all the others 'cause someday you'll meet the right person, marry, and be as happy as I am right now! (The damn fool's working 16 hours over-time today! I'm mad + I miss him!) But it's all part of love.

See, you + I have had a good time this year - but I hope I never forget growing up with you over the years! Good luck to a sweet girl and stay great. Ben's and my love always -

Robin Mays

P.S.

Come to Lelaigh to see us soon!  
Love, Robin

Kathie

I've known you longer than  
anyone in the Senior Class - ever  
since those days we went to first  
grade together (you & Becky Bennett were  
the first little girls I knew). We  
have had many wonderful times  
these past few years - Camp  
Wabash (Sam & John) - my first  
English gentleman (Dear Bill Newstead)  
I thank you so very, very much for  
introducing me to the nicest & sweetest  
boy I've ever known (dancing art).  
We have had many great dates together  
and I'm sure of it. I truly  
hope you have a wonderful and  
happy future & that you fall in love  
with someone who deserves you. Much  
love & best wishes to a sweet,  
caring little girl . . .

Love,

Virginia

P.S.

I hope you and John will finally get together  
& have a bunch of first-handset little children
